

Let me help you bring your photos out of the digital world and onto beautiful pages to share with your family and friends. Each month, you will receive a kit that comes with all the materials to complete 4 (12x12) 2-page scrapbook layouts. There are two fabulous kits to choose from – traditional and project life. All kits include extraordinary layouts with the latest and greatest Stampin' Up! products, trend setting techniques and a detailed video to walk you through each layout.

Choose the Mail Scraps Kit that Works for You!

Traditional

These layouts will be built on 12x12 sheets of cardstock that will be supplied in the kit. Once complete, they can be slid into a 12x12 page protector or mounted onto a 12x12 scrapbook page.

Project Life

These layouts will focus on filling the pockets of 12x12 Project Life pocket pages. The 12x12 pages will not be included with the kit but can be ordered through Stampin' Up. If you would like to order the pages, you can let me know in an email or order them directly from my website, www.kimallen.stampinup.net. I tend to use Design 1 (#135295) but there is also Variety Pack 1 (135294) and Variety Pack 2 (138471) if you want to add some variety.

How Does it Work?

On the first of each month, you will get a sneak peek of that month's kit. You have until the 5th of the month to place your order. Kits will be compiled and mailed out on the 15th of each month. The video will also be available starting the 15th. Once you have your kit, you will be able to put it together at your convenience.

What is the Cost?

There are several different ways to have Mail Scraps delivered right to your mailbox.

Month by Month: With this option, you can wait until you see the sneak peek on the 1st and then order by the 5th of the month. The cost for this option is \$25 which includes the kit and shipping costs.

3-month subscription: With this option, you prepay for 3 months at a time. For \$75, you will receive 3 monthly kits and a special gift from me with each month's kit.

Frequent Scrapper: With this option, you prepay for 6 months at a time. The cost for this option is \$150. You receive 6 monthly kits, a special gift from me with each month's kit and a 7th month for FREE!
