

2018 Card Challenge

How many handstamped cards can you send this year?

If you're like me, you love making cards but only a small number of them get put in the mail. Join me in making 2018 the year that changes that! This is one way that we can make a difference in the lives of others! And, I'm going to reward you with prizes for joining me in my goal of 2018 cards! Each month, keep count of the handmade cards you send. On the last day of the month, I will post a reminder to submit your number so that we will have a running tally.

Win prizes for...

- Sending 10 cards in a month
- Sending the most cards in a month
- There will also be extra challenges throughout the year.

You can use the chart below, a spot in your planner or a sticky note on the frig. It doesn't matter where you tally them as long as you post your monthly total on the last day of the month. Happy cardmaking!
